BACKWATER RIPPLES, KUMARAKOM

[www.kayaloram2026.com](http://www.kayaloram2026.com)

It is our great pleasure to welcome you and your family to KAYALORAM 2026 – “Brainwaves by the Backwaters” from February 27 to March 1, 2026, in the enchanting setting of Kumarakom, Kerala - a destination renowned for its tranquil backwaters, lush landscapes and rich cultural heritage.

The choice of Kumarakom, along the shores of Vembanad Lake, as our venue reflects our belief that inspiring surroundings enhance thoughtful dialogue and creative exchange. The gentle rhythms of the backwaters, the greenery and the warmth of local hospitality together encourage professional interaction as well as moments of personal renewal.

Complementing this exceptional location is a carefully designed program of high-quality academics and interactive sessions. Each session has been curated to offer depth, relevance, and practical insight, fostering stimulating discussions and exchange of knowledge.

Looking forward to hosting you to an enriching conference experience that blends intellectual rigor with the natural elegance of Kumarakom.
